

Clamp chart

Clamp fittings are a versatile durable product for industrial handrailing applications, easily assembled with our pre-cut tube service. Once aware of your requirements we can provide a package of clamps, tube and base plates specifically for your job and despatch direct to site, ready for immediate assembly. Use this chart to identify your requirements or send us a construction plan for our estimate.

A SIZE TO FIT 26.9mm O.D. TUBE

B SIZE TO FIT 33.7mm O.D. TUBE

C SIZE TO FIT 42.4mm O.D. TUBE

D SIZE TO FIT 48.3mm O.D. TUBE

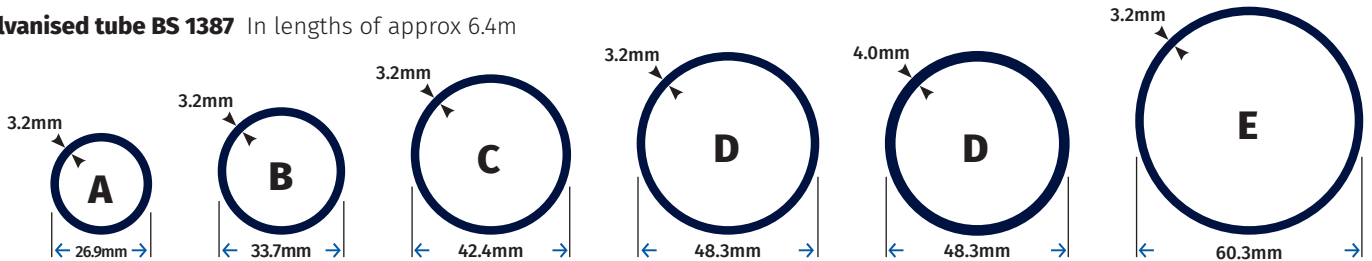

E SIZE TO FIT 60.3mm O.D. TUBE
